River Oak Plan for closure due to Corona Virus

At this time, there are no known cases in Mendocino County. We will follow Ukiah Unified School District protocol and procedures.

On the first day of a school closure all employees will report to work in order to assist with the school closure and preparation for supplemental instruction unless MCPH deems it not safe to do so. Packets will be available the next day between 8 and 9 am.

Teachers will prepare packets for 2 weeks' worth of school work. Parents/ Guardians will come to the school and pick up their child's work. Tables will be set up outside for distribution of work.

Parents who have access to email can email their child's teacher if need be.
